Professional Experience and Curriculum Vitae

Award-winning, advertising & celebrity photographer Dale May, has been pushing the boundaries of photography and post-production for over 15 years. Best known for his stylized, character-driven, conceptual imagery, Dale has captured some of today's most recognizable personalities, including Charlize Theron, Jared Leto & Christina Aguilera. With roots in painting and color theory, lighting and post production, Dale works with the inspiration to make the unthinkable real, as well as believable.
