Professional Experience and Curriculum Vitae
Creativity is the fuel that drives me, and it is what inspired me to become a Graphic Designer. I am happiest when I am creating or designing something. My favorite projects tend to be Logo Design projects, and print work, although I am enjoying doing more web/digitial work.

Previous Clientele
Tamara Lackey Photography
Endurance Magazine
Law Office of R. Kellen Bryant, P.L.
Julie Randle
Charles & Linda Gupton
Carol Linden
Keith Karlsson
