Professional Experience and Curriculum Vitae
The best Indian restaurant in Edinburgh, Dangal, is a perfect destination for all your cravings for healthy Indian food. The vibrant place is known for offering modern culinary styles where food is made keeping health and nutrition in mind. Dangal takes immense pride in serving flavoursome vegan Indian food, which is prepared by carefully choosing ingredients, exactly like home. Prepared with less oil and no colourings, the food elevates the customer's culinary experience and leaves them with a feel-good factor. The restaurant aims to help its customers enjoy a street food trip inspired by Indian hawkers through their dine-in and takeaway service.
