Professional Experience and Curriculum Vitae

For nearly ten years, Dan Dangler has been capturing images of the environments, individuals and details that define the human experience.

From raging waterfalls and the serenity of wildlife, to the expression of the human form, Dan's photographs convey a true appreciation for the composition of life - in all of its manifestations.

Dan's work reflects a unique and thoughtful perspective focusing on lighting and meaningful angles that highlight the natural beauty of the people, landscapes, creatures and objects that he photographs.
