Terry Gamble

Photo: Mary D. Potts

I was born in Pasadena, California—the younger of two daughters of recently Victorian parents. A strange, pale child, I spent most of my childhood under the piano or on a dusty shelf reading books. *The Secret Garden* was a particular favorite, as was *A Wrinkle in Time*. Literature, I soon learned, was about transformation and transcendence—a cheap and relatively risk-free exit strategy to an otherwise tedious life. Thus, in fourth grade, I composed one of my first literary attempts: *Bertha the Beefeater*—a four-page paper describing the pillowcase encounters of an adolescent protagonist... more about [Terry Gamble](#)

"Terry Gamble is a gifted writer, elegant, precise, evocative, and humane. Her work is highly intelligent, skillful, and, most important, full of heart and soul. This is beautiful writing."
—Anne Lamott

Good Family

A retreat on Lake Michigan for old-moneyed WASPs, Sand Isle has long been the summer residence of the Addison family. A scion of a great American industrial clan, Maddie Addison survived an awkward but sheltered adolescence only to be plagued in adulthood by alcoholism, a failed marriage, and an unendurable loss that sent her fleeing the burden of rigid family expectations. Now, after an eleven-year hiatus, Maddie is returning to the bucolic setting of her privileged childhood summers. In recovery and approaching forty, she is summoned back to Sand Isle, where her widowed mother has suffered a stroke that has left her mute, immobile, and near death. It is here that Maddie must reconnect with her past, assess what she has become, and confront the circumstances that changed her and those she loved forever... more about ["Good Family"](#)

Publisher's Weekly: "Gamble's evocative second novel... paints a poignant tale that is at once tragic and hopeful." [more...](#)

"Good Family" Reviews

"This coming-of-middle-age family novel is a cut above the usual. Recommended as the perfect camp novel of the summer."

—*Library Journal*, April 2005

Photo: Mary D. Potts

"Rich in elegant reflections and piquant observations, Gamble's sublime account of a family in disarray and a woman displaced is short perfection; she masterfully gives shape and nuance to the intricacies of those relationships that are meant to provide comfort, but that very often mark underlying sorrow."

—*Booklist*, May 1, 2005

"Gamble's evocative second novel... paints a poignant tale that is at once tragic and hopeful."

—*Publisher's Weekly*, May 9, 2005

Good Family Press Release:

The *New York Times Book Review* predicts the future for Terry Gamble

Praise for *The Water Dancers*, "Gamble's voice is often fresh and assured, yielding a first novel that bodes well for her second."
