Professional Experience and Curriculum Vitae
10+ years of experience in web design and development, winning several national and international awards for the web design projects.

I have worked on a large range of web applications, developing projects ranging from corporate intranets, custom content management systems (cms), e-commerce sites to customer relationship management (crm) systems.

I offer web development services using mainly the following technologies: PHP, MySQL/PostgreSQL, JavaScript (JQuery, Ajax), XHTML, CSS...
