## Professional Experience and Curriculum Vitae

Every project on time and on budget.

Burlington Vermont based Photographer, David Seaver Photography has over 20 years of experience creating engaging images for hospitals, magazines, advertising agencies, institutions, individuals, and medical device manufacturers.

David has photographed a wide range of subject matter including all aspects of the health care field from rural clinics in the developing world to the latest in robotic surgery, portraits on location and in the studio, products of all shapes and sizes, delicious food, far flung corners of the world, and extravagant weddings. His passion lies in making creative images of whatever is in his viewfinder.
