3D Sport Performance

Plank Road Tavern

Alfred Industries

Awards and Accolades

Web Designer, Progressive Insurance; Cleveland, OH — 2004-present

Lead designer of the corporate intranet. Responsible for information architecture, designing new sites and developing the templates used by all groups to publish content to the internal network.

- Led visual re-designs of the corporate intranet in 2004, 2007 and 2010 to coincide with the company's branding efforts and technology upgrades
 - Responsible for the creation of the CEO's quarterly business updates. The project includes motion graphics creation, video editing and web design / development
 - Designed the user interface and all content for PGR TV, our digital signage tool, delivered to several locations on a weekly basis.
 - Designed and developed the company's Employee Annual Report for the past 5 years
 - Design graphical user interfaces and content for various projects including video productions, keynote / powerpoint, blogs, database views, flash presentations, windows applications and the online newsletter
 - Created Progressive's AutoBiography - a multimedia presentation currently featured on the company's website, progressive.com
 - Led the project team in design and development while creating the company's first two corporate social responsibility reports - microsites currently featured on progressive.com
- Interactive Designer, Signal US Communications; Cincinnati, OH — 2002-2003
Designed clients' websites and multimedia projects. Responsible for HTML / CSS development of approved designs. Collaborated with developers in the creation of dynamic websites.

WWW.THECREATIVEFINDER.COM • Designed and maintained content on over 25 clients' websites on a day-to-day basis

- Designed and developed online learning modules (Flash / Actionscript) linked to a custom LMS

progressive together

[About](#) [2010 Highlights](#) [CEO Message](#) [2010 GRI Report](#)

Operating Responsibly
Doing the right things to earn your trust and loyalty

Helping Others
Working together to support our communities

Being Sustainable
Taking care of the world we all share

Caring for our local communities

Claims Rep Aaron Richard couldn't leap off a swing as far as his 8-year-old lunch buddy. But he may have left a bigger impression just chatting about sports and cafeteria food.

Operating Responsibly | **Helping Others** | **Being Sustainable**

Do the right things to earn your trust and loyalty

Doing the right thing is in our DNA. It's integrated into our business vision, values, and operations. Being a business others trust, rely on, and are proud to be affiliated with is the best thing we can do to fulfill our social responsibility goals.

Our Vision and Core Values govern our decisions, define how we conduct our business, and determine how we treat each other in all interactions. And, they empower us to be leaders, within Progressive and throughout our industry and communities.

Whether you're a customer, agent, investor, employee, partner or site visitor, we want to earn and keep your faith in us each and every day based on what we do and how we do it.
