## **Professional Experience and Curriculum Vitae**

Hi, I am David Soto from Birmingham, UK. I was born and brought up here only and did my schooling from a local school. For further studies, I moved to Birmingham and did my graduation in Information Technology. Currently, I am working as a SEO manager in Koenig Web Design Ltd and loving what I am doing right now for the company. Beside my professionalism, I love swimming and have a huge interest in cycling and music.
