Professional Experience and Curriculum Vitae

I've been an independent photographer since 1987 based in the Chicago area. During this time I've concentrated on Editorial, Corporate, Advertising, and personal portraiture.

In the past five years I've stopped shooting film and have embraced the digital image, shooting environmental portraits and landscapes. Digital photography has afforded me the freedom to present color or black and white photos the best way possible.

Previous Clientele

Motorola - St. Alexius Hospital - Luxe Magazine - Chicago Reader - Registered Representative Magazine - Castle Metals
