Professional Experience and Curriculum Vitae
Dean Logan is the founder and CEO of FOUNDATION: a specialized marketing consultancy in RTP that focuses on technology and technology-related companies.

Past client experience includes AT&T, Lenovo, Sensus, Bandwidth, Eaton, GE, RCA, Truphone, Lucent, Wavecom, Charter and CenturyLink.

FOUNDATION can work on a project, contract or semi-permanent basis with organizations that need Creative Director-level help with their branding and positioning combined with Graphic Designer services to design and produce a wide variety of marketing materials.

While FOUNDATION's focus is on technology companies our creative team also has extensive experience in other industries.
