## Professional Experience and Curriculum Vitae

"That's a funny name," people say. So just what is Stellar Debris? We're an award-winning creative communications agency devoted to helping you build your brand and share your message with the world.

Since 2002 we've been working with international clients to develop creative communications, brand identities, and marketing that cuts through the noise of today's busy world. Through our approach of simplistic yet effective design, Stellar Debris brings together the pieces of creativity to meet your goals.
