Professional Experience and Curriculum Vitae

Hi! My name is Delia. I'm a mechanical engineering from Tucson with 12 years of experience. After receiving my final degree project, I have developed my career both abroad and in Saginaw in various studios such as bunch design. I have also visited India for graphic design seminar and while traveling I read a book about "???? ????? ?? ???". It is a very interesting book and full of knowledge. I want to explore all the latest technologies in different fields. it's my passion.
