Professional Experience and Curriculum Vitae

Hi, I am Denise and I live in Wooster USA. I am working as a Technical Trainer and technical trainer is an educator or teacher who trains or coaches others in some field of technology. I trained students literacy training, interpersonal skills training, technical training, problem-solving training, and diversity or sensitivity training. sometimes I read books and my favourite topic is mantra for protection from black magic. I also hang out with my friends in my spare time and also playing football.
