Professional Experience and Curriculum Vitae

Established in London in 1990 then moving to Cairo three years later has made us what we are today: a diverse team of designers committed to original design, continuous learning and an uncompromising attention to detail. Our graphic design services range from logos to ads to packaging and use the latest computer softwares and production methods to create work of true originality. Through our web division, we offer creative, fresh and user-friendly web site designs in addition to other online and interactive solutions such as search engine optimization and digital presentations.

Graphic Design Services:

Logos & Branding
Publications & Promotions
Invitation Cards
Packaging
Giveaways
Menus
