Professional Experience and Curriculum Vitae

Design Kids Australia is an all baby store that offers a range of beautiful products like baby cots, baby furniture, rocking chairs, recliners and gliders, and many more. They are also the exclusive distributors of Nursery Works and Babyletto brands. Design Kids only provides products that strictly follow to Australian and New Zealand safety standards, so that the parents can have a peace of mind about the safety of their children. Parents can also get modern nursery furniture at Design Kids for their newbies.
