## Professional Experience and Curriculum Vitae

Denise Gallagher is a creative thinker. An author, illustrator and graphic designer. She is passionate, award-winning and hard-working. She has illustrated children's books, advertising campaigns and merchandise and has designed books, brands and campaigns. Whether whimsical and dark, or clean and sleek, she can brainstorm and design with a team or create creative storms on her own. And she's as proficient with a pencil as she is with keystroke.
