Professional Experience and Curriculum Vitae

By bringing together a love of graphic design, photography, painting and drawing, my work conveys a strong sense of design, composition, illusion, and compelling visual concepts. I work on a wide range of projects including; branding, web design, editorial design, media + promotional collateral and photographic illustrations. I aspire to work on exhibitions and film some day.

Qualification Overview:

Strong conceptual, layout, illustration, including photographic illustrations and typographical skills boosted by 7+ years of professional design experience. Experience creating graphics and accessible code for the web. Effective at integrating functionality and design. Exceptionally well-organized work style. Able to manage multiple projects and meet tight deadlines. Strong analytical skills. An enthusiastic team player and fast learner. Excellent communication skills. A skilled leader and reliable designer. Bilingual; fluent in Spanish, verbal and written.

Previous Clientele

Volkswagen, Audi, Toyota, Harley Davidson, BP, New Balance, The North Face, WTTW, Cherokee Casino and Chicago Cut amongst others.
