Professional Experience and Curriculum Vitae

I am a 24 year old passionate designer, living in Sydney, Australia. Following my 4-year undergraduate course in Design at the College of Fine Arts, University of New South Wales in Sydney, I am currently freelancing for different clients on diverse products. My specialization is in Graphic and Textile Design and some of my work has received recognition in the Australian market.

My designs can be used in multiple product ranges (apparel/carpets/rug/upholstery/cushion covers/wallpaper/table linen/stationery) and reflect the vibrancy of colour and the various international influences that I have had as a result of travelling and living around the world.
