Professional Experience and Curriculum Vitae

I'm a children's book author and illustrator. My work is whimsical, warm, and humorous. I hold a masters degree in art education, and I studied illustration at Art Students League, SVA, and Cooper Union. Besides writing and illustrating, I have worked as a teacher, an editor, and a hand model. I'm a member and Webmaster of Children's Book Illustrators Group, a NY-based group (cbig-nyc.com).
