Education:

University of Central Lancashire (2012 - Present)

MA: Graphic Design

Modules included:

- Design Practice
- Design Research

My MA project "Think How to Link" focuses on creative thinking techniques and explores the relationship and connections between random objects and images. Through observations and visual experiments I have generated a range of useful and useless ideas.

Damascus University (2005 - 2009)

BA of Fine Arts in Visual Communications.

Modules included:

- Creative Thinking • Branding
- Poster Design • Illustration
- Advertising • Packaging
- Logo and Symbol Design • Drawing

Work Experience:
