## **Professional Experience and Curriculum Vitae**

Hi,

Dan here. I'm well into middle age and may be reaching a peak of sorts. Have fine arts training and lots of life to draw on. Now I'm concentrating on photography and digital imaging. Major interests have always been in color fields and abstracts and highly detailed, high contrast drawings.

My work is available on

[Society6.com/dparker](http://Society6.com/dparker)

should something grab you I can do something special.
