## **Professional Experience and Curriculum Vitae**

Whether cover design, illustration, logo or an entire suite of packaging, display and promotion for vintage luxury products, Daniel Pelavin's goal is to uncover its unique assets and present them in a cogent and compelling way. Drawing from the entire range of design history with an emphasis on expressive typography, he pursues the perfect fit between medium and message that both engages and informs but, most importantly, meets the problem with a persuasive and eloquent solution.
