## Professional Experience and Curriculum Vitae

Visual explorer and generator. Works on upcycled crafts, print, web and motion.

Born on the 20th of September in Lisbon, Portugal. Since early age developed an interest for crafts, photography, film and live performances. Studied Art at school and Design in the university. In 2005 moved to London where has initiated Ds WAY meanwhile collaborating in cultural projects as a creative freelancer, supporting other artists and organizations in different design fields [print, web and motion] and areas of action [branding, tutoring, research...]. In 2010 started ds REcreate WorkShops about digital [web, wordpress, photoshop...] and crafts [reuse, upcycle...] techniques. Since 2012 have been dedicating more and more to Ds ARTworks [a selection of original art to share] while collaborating in cross platform projects involving music, performance and live visuals.
