Professional Experience and Curriculum Vitae
Originally enrolled at Tyler School of Art in Philadelphia in 1970-71. I started with Art Instruction Schools Correspondence course while still in High School in Harrisburg, Pennsylvania with an emphasis on Illustration. I am a Journeyman 4 color Offset Press Operator, now retired from NCR Corporation after 20 years. I also worked in Pre-Press as a Platemaker, Proofreader, Computer Operator (Mac & PC), using programs such as Adobe Illustrator, Quark Express, Adobe Photoshop, and Macromedia Freehand, for technical support on Third Shift at their former Mt. Joy location. I am interested in working with multimedia as I am proficient with photographic, and video capture as well as old school, illustration and painting. I am currently working on an exotic project of my own documenting extraterrestrial and terrestrial wildlife interactions, and some of the most compelling images of Sasquatch type beings / hominids.
