Professional Experience and Curriculum Vitae

We at Eaglytics-Co are a 100% remote working team spread over entire India, and now across the globe. As a data analytics consulting agency, we came into existence in March 2020 when the COVID-19 Pandemic struck, leaving all of us locked up in our homes. This presented an excellent opportunity for the co-founders to bootstrap this venture into a 30+ member team in almost a year.
