Professional Experience and Curriculum Vitae

I've photographed in the Pacific NW professionally since 1990. Currently I live in beautiful Hood River. I earned my BFA in photography in 1995 from The Savannah College of Art and Design. Today I focus on shooting the jobs and for the clients that I want to. I've done the starving artist thing before, now I have a family to keep happy.

I look forward to working with you on creating the perfect image(s) for you needs.
