Professional Experience and Curriculum Vitae

EARTH-CARE ECO-FRIENDLY
DESIGN & REALIZATION

EarthCare Design & Realization covers ALL aspects of Design & Planning, Interior & Exterior Landscaping and Maintenance in London, Surrey & Middlesex.

EarthCare creates gardens for people, for plants and also for the environment, helping you to both improve the value of your home and also to enhance your life.

Why not call our friendly team NOW on +44 (0)20 8557 1346
or call us FREE from any UK landline on 0800 118 2284

LOVE LIVING LIFE ALFRESCO

Growing more beautiful with each passing season, all of our creative gardens & truly inspired outside spaces are designed and built to last, providing you with lush, peaceful and extremely practical outdoor living space.

We specialise in creating stylish low maintenance landscapes and roof terraces and home gardens, which will harmonise with the environment, whilst complimenting your home and lifestyle.

LUSH LANDSCAPES - FOR LIFE, FOR LIVING, FOR LOVING...

EarthCare home gardens provide you with delicious and nutritious food for the kitchen and for outdoor dining.

Our clients are loving it, living the alfresco life...
and living it up in our edible landscaped gardens!
