D. H. Lawrence 1885 - 1930

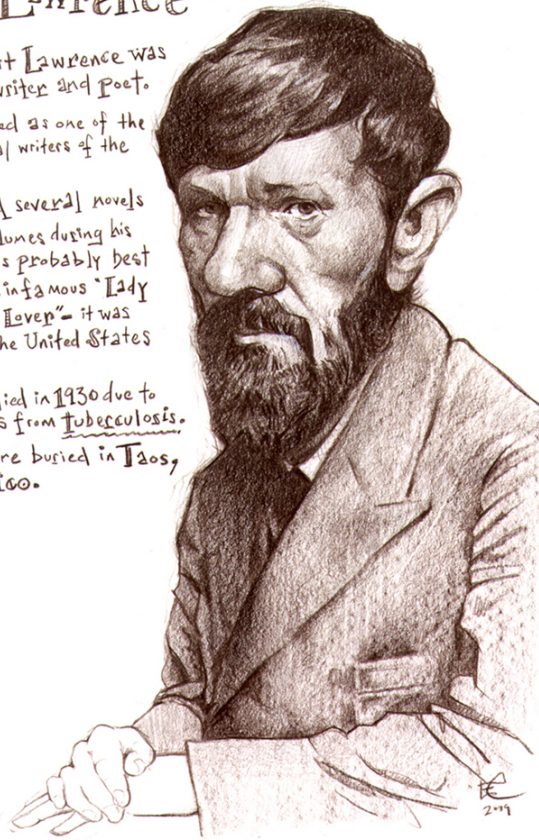

David Herbert Lawrence was an English writer and poet.

He is regarded as one of the most influential writers of the 20th Century.

He published several novels and poetry volumes during his lifetime but is probably best known for his infamous "Lady Chatterley's Lover" - it was banned in the United States until 1959!

Lawrence died in 1930 due to complications from tuberculosis.

His ashes are buried in Taos, New Mexico.
