Professional Experience and Curriculum Vitae

Though he is most well known for his erotic photography, his passion for photographing any type of subject can be seen in his wide range of print ads; from the campaign for Mario Lopez's "Rated M" underwear line to Gerber Baby Foods as well as one sheets for such films as Fox Searchlight's international release of Le Divorce and Artisan Entertainment's The Center of the World. For both of which he won Key Art Awards.

A frequent collaborator with legendary art book publisher TASCHEN, his work can be seen in a variety of their publications including the first two collections of his solo work, Ed Fox: Glamour from the Ground Up and Ed Fox II.
