Professional Experience and Curriculum Vitae

Edvard Scott is a graphic designer and illustrator from Stockholm, currently based in New York. Scott's output includes brand identity, art direction, printed matter, illustration, packaging and interactive design. Over the past years Scott's work has attracted the attention of big-name companies – both domestic and international. Scott's clients include Nokia, IKEA, L'Oréal, Mini Cooper, Electronic Arts, Graniph, Diesel Music and Start Mobile. His work has been published in books and magazines such as Gra?k, Arkitip, Computer Arts, NeoGeo and Illusive 2. Scott's work has also been exhibited in solo and groups shows in Japan, United Kingdom and the Netherlands.
