## **Professional Experience and Curriculum Vitae**

Seasoned travel and tourism professional with more than 4 years' experience assisting customers fulfill their domestic and international travel needs. Extensive knowledge of many of the top travel destinations and proficiency in the latest travel coordination and booking software. In my idle time, I love to read the posts on durga mantra for success concepts. Designed and authored three travel blogs during these multi-month solo trips Gifted at developing custom-built travel itineraries that exceed expectations while still fitting into clients' budgets. Dedicated to helping clients reach their dreams of traveling the world.
