### HOW TO USE FOOTNOTES IN CHICAGO WRITING FORMAT?

APPLICATION OF FOOTNOTES/ENDNOTES

#### CHICAGO STYLE BIBLIOGRAPHY

**Footnotes in Chicago writing Format.**

The Chicago referencing style considers being the most respected and widely used referencing style guide. This referencing style covers a wide variety of academic discipline. According to the 16th edition of Chicago style citation; there are two forms of formatting, Notes Bibliography system and Author-Date system.

#### CHICAGO CITATION MAKER

**Use Of Chicago Maker**

The purpose of writing a paper is to deliver information from one person to the readers. Hence if the existed sources are not cited properly, it loses its integrity from the eyes of the readers. Thus, students often use citation maker tools when they have too little time to cite the sources or not well-versed with the formatting style.

#### PARAPHRASING TOOL ONLINE

**APPLICATION OF FOOTNOTES/ENDNOTES**

The main difference between footnotes and endnotes is footnotes comes at the bottom of the page and endnotes are written at the end of an article, book, or chapter. You need to apply footnotes or end notes only when you are using in-text citations.
