Professional Experience and Curriculum Vitae

I am a Wordpress developer here are my WooCommerce Plugins and Extensions

WooCommerce Product Sorting Plugin: Enhance your online store's user experience with this powerful plugin that allows customizable sorting options for products in your WooCommerce shop.

WooCommerce Popup Plugin: Boost sales and engagement by seamlessly integrating eye-catching popups into your WooCommerce store, capturing the attention of visitors with targeted messages and promotions.

Newsletter Popup WooCommerce: Build your subscriber base effortlessly with this WooCommerce plugin, offering an effective and visually appealing newsletter popup to encourage visitors to subscribe and stay updated on your latest offerings.

WooCommerce Product Carousel Popup: Showcase your products in a dynamic and interactive way using this WooCommerce plugin, featuring a carousel popup that grabs attention and entices customers with visually appealing displays.

Cookies Plugin WooCommerce: Ensure compliance with privacy regulations and enhance user transparency by implementing this WooCommerce plugin for managing and displaying cookie consent notices on your online store.

Age Verification Popup WooCommerce: Safeguard your online business and comply with age restrictions by integrating this WooCommerce plugin, which prompts users to verify their age through a popup before accessing age-restricted products or content.
