Professional Experience and Curriculum Vitae

Empire Roofing LLC is a licensed, insured, and ShingleMaster® certified roofing company with more than 30 years of experience serving Orlando and Central Florida. We specialize in residential and commercial roof inspections, repairs, replacements, storm-related damage restoration, and waterproofing systems. Using proven materials and industry best practices, we deliver roofing solutions built to withstand Florida's heat, wind, and storms. Our reputation is built on quality workmanship, reliable service, and long-term roof performance. Schedule your free professional roof inspection today.
