**Professional Experience and Curriculum Vitae**
Donna Dufault has over 20 years of experience working in the photography industry. She graduated from Rochester Institute of Technology with her BFA degree in Fine Art Photography. She has worked at some of the best photographic printing labs in the country and worked with some of the top art photographers in the world. This experience coupled with years of gallery experience, running art marketing groups and co-coordinating photo workshops has given her a unique perspective into the fine art photography world. These last few years, Donna has joined forces with her husband, Scott Erb of Erb Photography, who has been a successful commercial photographer for over 15+ years. Donna provides remarkable support to Erb Photography in marketing and business development as well as serving as studio manager and second shooter.
