At the time of the election, Pope Francis was a 76-year-old Argentine Jesuit priest who had spent most of his life in the slums of Buenos Aires. He was known for his humility and his close relationship with the poor. His election as Pope was a surprise to many, as he was not considered a strong contender. However, his campaign of humility and closeness to the poor won him the hearts of the faithful. Pope Francis is known for his simple lifestyle and his focus on social justice and the environment. He has been a vocal critic of capitalism and consumerism, and he has called for a "theology of the poor." His election was a landmark moment in the history of the Catholic Church, as he was the first Pope from the Americas and the first Jesuit to become Pope. His papacy has been marked by a series of reforms and a renewed focus on the teachings of the Church. He has been a source of inspiration for many people around the world, and his message of love and compassion has resonated with millions of people. Pope Francis is a true leader and a man of great faith and courage. His election was a testament to the power of humility and the importance of serving the poor. He is a man who has changed the world, and his legacy will live on for generations to come.

Adaptation of the film "The Great Gatsby" by Baz Luhrmann. The film is a musical adaptation of the 1925 novel by F. Scott Fitzgerald. It tells the story of Jay Gatsby, a wealthy and mysterious man who throws extravagant parties in hopes of winning back his lost love, Daisy Buchanan. The film is set in the 1920s in the United States and is known for its stunning visual effects and musical score. The film was released in 2013 and received critical acclaim for its production design and performances. It was nominated for several Academy Awards, including Best Picture, Best Director, and Best Adapted Screenplay. The film was also a commercial success, grossing over \$1.45 billion worldwide. The film is a modern take on the classic novel and is a must-watch for anyone interested in the 1920s or in musicals.

the study that children often use the Catalan reflexive form *em* (I am changing myself) when they are asked to describe a change of state. This is in contrast to the English reflexive pronoun *myself*, which is used to refer to the subject of the sentence. The study also found that children often use the Catalan reflexive form *em* when they are asked to describe a change of state. This is in contrast to the English reflexive pronoun *myself*, which is used to refer to the subject of the sentence.
