Professional Experience and Curriculum Vitae

ETERNAL Permanent Jewelry allows you to customize your own jewelry and it is made to fit you! We offer a variety of chains in 14k white and yellow gold, gold-filled, and sterling silver. We also offer a variety of charms in gold-filled and sterling silver. You get to pick which chains you like and what you want, you can make a bracelet, anklet, necklace, or even a ring! Once you have selected your chains and charms I fit the chain to your liking and comfort. Then comes the fun part, I microweld it shut with a zap and spark of light, and you are done. ETERNAL Permanent Jewelry offers private parties and events and does pop-ups in New Jersey, NYC, Philadelphia, and surrounding areas.
