Professional Experience and Curriculum Vitae

He was born in Izmir, Turkey in February 14th, 1981. Was into photography since primary school. Had his first SLR experience during high school. Joined EFOT (Aegean University Photography Association) in 1998, became a member of IFOD (Izmir Photography Club) in 2000. Following his education on Electronics, he entered Dokuz Eylul University, Faculty of Fine Arts, Department of Photography. Has composed trainings and seminars on photography. Has performed numerous slide shows, attended mixed exhibitions. Has performed his first personal exhibition “Richard III, Light and Violence” in 2004 and draw attention with his abstract approach. Joined numerous international festivals. Gathered many domestic and international success and mansion rewards. The thesis project ’Ezilenler’ that he worked on physically disabled people has been deemed worthy of ‘Official selection’ award in“PX3 Prix De La Photographie” which was held in France. Being still a member of IFOD, continues his works on photography…
