### **Professional Experience and Curriculum Vitae**

I am an Ophthalmic medical assistant in bluefield USA, I assist in retinal exams and procedures. Referred patients to outside healthcare providers for further medical treatments. I like learning and reading new things, so I like to collect and read magazine and newspaper cutting, Especially I want to know about Mantra for friendship and love. I have a lot of different books in my home library. I enjoy and spend time with my books and magazine collection.
