Professional Experience and Curriculum Vitae
Factory (or Plava tvornica for our Croatian friends) is an IT firm with headquarter in Virovitica, and office in Osijek with more than 25 employees serving clients worldwide.

In collaboration with our clients, we plan, design and build web and mobile applications. Our goal is to provide client satisfaction and complex custom solutions with a turn-key and a pixel perfect coding and development.

Factory team believes in bringing new value to any project we are connected to. A pro-active approach is the most valuable specialties our team has

Previous Clientele
Index.me , Kurija Jankovi?, Slatina bank, Advent in Zagreb, Taw9eel , Thouqi, Expecting, Krka, Sheeel, Sharequity, European structural and investment funds, Michael Kors, Lexus
