Professional Experience and Curriculum Vitae

Biography

Finola Inger is a London based Stylist and Art Director. She has worked as a freelance stylist for 11 years for a wide range of clients which includes, Elle Decoration, Boden, Habitat, Liberty, The Sunday Times, Heals, Dulux and Debenhams, and has designed store concepts for both Oasis and Whistles.

She developed her distinctive, narrative style at Elle Decoration magazine, where she was on the editorial staff, and she still shoots regularly for the magazine. Her design ethos has grown from a passion for architecture, art, design and fashion, and her work has now developed to include other disciplines such as trend prediction, interior design, shop design and art direction. She loves the diversity of the projects she works on, and enjoys the teamwork involved. Working with other people brings fresh inspiration and ideas.
