A screenshot of the Mineral Resources Education Program of BC website. The header features a logo on the left, navigation links 'Contact Us' and 'Search' on the right, and a large banner image showing a cross-section of geological layers with children in the foreground. Below the banner, there's a newsletter sign-up section on the left and a main content area on the right. The main content area has a 'Welcome to the Mineral Education Program of BC' message, followed by two columns: 'FOR TEACHERS' and 'FOR STUDENTS', each with a brief description and a 'Find out more' link. A footer at the bottom contains a series of navigation links.

A screenshot of the Solid Gold Resources Corporation website. The header includes a date 'Feb 6, 2020', a 'Site Map' link, and a search bar. The main content area features a large circular graphic on the left showing a map of Ontario and Quebec with a star marking the 'SOLID GOLD' location. To the right of the graphic, there's a 'Committed to the Core' section with a paragraph about the Porcupine Destrer Fault Zone. Below this, there are two columns: 'CORPORATE PRESENTATION' with a link to 'Jan 2010, pdf, 2.2 MB' and 'MAILING LIST' with a form for 'Your Name' and 'Your Email' and a 'SUBMIT' button. The 'LATEST NEWS' section on the right shows a news release from 'Jan 2010'. A footer at the bottom contains navigation links.
