Professional Experience and Curriculum Vitae

Are you looking to increase sales through a targeted advertising campaign, or announce a new product launch via a headline grabbing press release? I will turn readers into customers through the power of words.

I have been writing professionally since 2004, and my areas of expertise include:

- Websites;
- Marketing literature;
- Direct mail;
- Press releases;
- Editorial.

This list isn't exhaustive, and I am happy to discuss any additional requirements you may have.

Industry experience:

- Arts;
- Charities;
- Consumer magazines;
- Estate agents;
- Utilities.
