## Professional Experience and Curriculum Vitae

Francis Dzikowski attended Virginia Polytechnic Institute's foundation program in architecture and studied photography at the University of the Arts in Philadelphia Pennsylvania. He spent a decade living and traveling abroad photographing historical restoration projects and archaeological excavations.

While photographing in Egypt's Valley of the Kings for the Theban Mapping Project, Francis also taught photography at the American University in Cairo. He currently lives in Brooklyn, New York working as an architectural photographer. He is a member of Esto and in 2009 completed publication of a book titled, Public Art New York by Jean Parker Phifer photography by Francis Dzikowski. W. W. Norton is the publisher.

## Work History

2005-Present, Freelance Architectural Photographer, Represented by Esto, New York, NY

Photographing architecture and art for architects, interior designers and artists.

2006-2009, Public Art New York

Photographed over 270 freely accessible public art works throughout the 5 boroughs of New York City for publication in a book by co-author Jean Parker Phifer.

2003-2008, Freelance Photographer's Assistant, New York, NY

Assisting photographers Peter Aaron, Richard Barnes, David Sundberg, Scott Frances, Jock Pottle and others on location and in the studio.

2002-Present, Photographer, The Giza Plateau Mapping Project, Cairo, Egypt

Photographing objects found during the excavation of the Giza Plateau's workman's village for director, Dr. Mark Lehner. These objects range in size from small beads to large scale New Kingdom limestone blocks. Scanning 35mm slides and consulting on the creation of an Image Database. The 40,000+ slides in the collection span 20 years
