Professional Experience and Curriculum Vitae
FLEX/Cocoon is a full service office for structural packaging design and product development.

We are a creative and experienced team of designers who understand the development process in the context of the brand. Consumer insight drives innovative solutions while our qualified engineers guard feasibility in every phase of the project. All of this is led by our project management team, which ensures a smooth and transparent process and timely completion.

Previous Clientele
AB-InBev
Nestle
Bellinda
Philip Morris
