Professional Experience and Curriculum Vitae
The combination of visual perception and communication is one of my incitements in finding new motives and conceptions for photographs. A picture has to tell a story or a picture has to build a story in the beholders mind. In a world, that is powered by „faster, higher, further“, I see a progress in pausing. To create pictures and visual spaces which invite the observer to dwell, to linger, almost to contemplate, are my objectives.

Previous Clientele
Brewery Sion
Agency Rheinstern
Bank für Sozialwirtschaft
habitat Deutschland GmbH
Simon Schubert - Artist
SAT1
nostro Film
Marcus Schinkel - Pianist
funky walk, Jazz-Magazin
Antje Fiedler - Rückennah
