Professional Experience and Curriculum Vitae
Foan82™ was formed in 2004 as graphicartist.
Born and raised in Oeiras, Portugal.
Curiosity and a constant thirst to learn more led him to teach himself advanced techniques in photoshop, motion, animation, flash, CSS, HTML and ActionScript.
Today, he is an art director, interactive designer and digital illustrator incredibly committed to his work and with a background that gives him a vision of his own.

Awards and Accolades
Linkedin recommendations

“Renato AKA Foan82, is a very professional and dedicated designer. His work it's always finished in very accurate and methodic way. Great illustrator also, this guy knows how to rock on design. Always a good choice for who's in search of a designer.”
Diogo Parrinha, Senior Designer, 2010-10-18

“I've know Renato since college and I've been working with him for over 4 years now. He is an excellent colleague and his path has
been amazing.
Renato is a great designer, multi-skilled and
none stops being amazed by the quality of his work.”
Diografic, Senior Designer. 2010-11-23

“Renato is undoubtedly one of the most
talented designer I've ever had the opportunity
to meet and work, a very focused person, interested and committed to their work always searching for perfection in everything he creates. His work never ends for a project is
always interested to follow and help during the development of the project.
Enough detail oriented and pixel perfection, is undoubtedly an artist with enormous talent
and certainly with a great future.
It is with great pleasure that i work on
