Professional Experience and Curriculum Vitae
William Neumann Photography is a full service commercial studio with specialties in executive portraiture, lifestyle rendering, commercial real estate and architecture. We are based in a beautiful New York City studio in the heart of the Photo District with a business office in northern New Jersey. Schooled in print production and loving all digital media for corporate communications, advertising, public relations, editorial content, marketing, B2B, retail display, social media and ready for anything else you may need. With over 25 years of experience you can be confident to receive impactful images, customized service and delivery that are produced with value in mind

Previous Clientele
Cushman & Wakefield, New York Times, Crain Publications, Jones Lang LaSalle, CBRE, Cassidy Turley, Spear Street Capital, Amnesty International USA, Hudson Group, Dufry AG, Real Estate Forum, GVA Williams, Transwestern Real Estate, Arcadia Publishing, The History Press, Bergen County, Borough of Rutherford, State of New Jersey, Preservation New Jersey, Habitat for Humanity, WNYC New York Public Radio, The Carter Center, New York Public Library, Library Journal, The Network Journal, Black Enterprise, Instinet LLC, National Real Estate Investor, IOREBA, Solar World, Hackensack University Medical Center, NYHHC, Queens Hospital, St. Peters Hospital

Awards and Accolades
William “Billy” Neumann attended New York University and Fairleigh Dickinson University but credits all of his photographic education to his 7+ years of professionally assisting over 175 of New York’s finest commercial photographers. He was an original organizer for NYC Assistant Photographers which led him to be recruited as an Adjunct Professor by School of Visual Arts in New York. He has taught thousands of emerging photographers “How to Assist Professional Photographers” for over 25 years. He is a partner in TAZStudios Inc. and has survived the establishment of three studio start-ups. Besides his photographic career, he is a popular New Jersey Historic Preservationist with a Certification in Historic Preservation from Drew University. Billy is the most recognized historian in his hometown of the Borough of Rutherford, New Jersey and the author of two local history books on the extraordinary history of Rutherford and an author or contributor to many other books and articles and the administer for a dozen Face Book pages and forums on numerous subjects. His Pro-Bono clients include Habitat for Humanity, Public Libraries, Public Radio, Historic Preservation and History organizations. He lives eight miles away from NYC on the remnants of a 135 year old farm with a full garden and sleeps over half the year on his outdoor porch under swaying Hemlocks.

Awards and Accolades
Numerous awards from New Jersey Art Directors Club, ASMP of New Jersey,work shown in Noyes Gallery,
