## Professional Experience and Curriculum Vitae

Adrian's uses his expertise as a photo-journalist and studio photographer to create portraits and to document important events. He was born and raised in Bucharest, and moved to Chicago in 1994. Adrian graduated from Columbia College, where he was awarded the prestigious Weisman scholarship for his photography – and later was selected to serve as a judge. He works out of a shared loft studio in the West Loop in Chicago. His studio loft reflects the artistry of his work.
